The NL63 beat team have sadly said goodbye to PC Amelia Nicholson, who has left us for a new beat due to high demand. Those who knew Amelia know she will surely be missed by us on the beat team, and all of you! We welcome back PC Jimmy Clarke, who has returned from another beat.

PCSO Mia attended The Arcs' Christmas Party, engaging with local residents and saying hi to all the children attending on Santa's 'nice' list! We hope everyone who attended had fun getting in the festive spirit!

You said.... We did....

<p><i>Retail theft</i></p>	<p>Patrols around shops have been conducted by the beat team as well as regularly checking in with staff/security. As Christmas approaches, thefts are more likely so we have been keeping a close eye on this in order to combat and reduce retail thefts.</p>
<p><i>Parking issues around schools</i></p>	<p>The beat team continue to conduct high visibility patrols around schools during peak times to ensure parking is all in order. Those who are parked in an inconsiderate way have been moved on and/or been given words of advice.</p>
<p><i>Nuisance bikes</i></p>	<p>The beat team continue to patrol around hotspot areas for dumped motorbikes that have been stolen, we are keeping a close eye on this to ensure any stolen bikes are found and reunited with their rightful owners.</p>
