Issue: June 2025 edition

Welcome to your monthly newsletter!

Focusing on the priorities that you want your local policing team to deal with

## What matters to you

We have listened to you and the concerns you have raised through surveys, community consultations and analysing crime trends. Using this data, we have created the following Uppingham Town priorities that the Dedicated Neighbourhood Team will focus their efforts on:

**Priority 1: Road Safety.** You said: Speeding vehicles on Rutland roads is a priority you want us to address, specifically the lack of adherence to 30mph zones. What we are going to do: We will complete high visibility patrols of hotspot areas with partner agencies and deal proactively with offenders with a view to providing suitable advice or action where required.

**Priority 2: Drugs.** You Said: Yet again a number of vehicles have been stopped this month connected to drug supply, 6 in fact. Three of these were seized. One vehicle failed to stop for PC George and ran off into fields, he was soon found hiding in a bush, a large quantity of drugs and cash was seized on this occasion and investigations are ongoing. In another incident, a vehicle was stopped, and roughly £3,000 worth of counterfeit cigarettes were seized.

**Priority 3: Anti-Social Behaviour.** You said: Specific issues of Anti-Social Behaviour (ASB) concerning individuals in the community, 'nuisance neighbours' and irresponsible dog ownership / walking is an area you want us to focus on. What we are going to do: We will provide a frequent high visibility policing presence, as part of a localised operation around Road Safety, to the affected areas with marked vehicle patrols and regular monitoring. We will deploy the speed gun device and deal with offenders robustly where appropriate. We will also continue to work with partner agencies, such as the Road Safety Partnership mobile speed camera van, to identify areas of concern and request deployment of that resource. We will then continue to publish the enforcement statistics on the Neighbourhood Link messaging service.

## Crime Trends and Prevention Advice

Unfortunately, last month we had several thefts from motor vehicles. Although this is a rare occurrence for Uppingham we should not become complacent so please take a moment to review your own vehicles security. Please click link to advice on our website.
