Your Dedicated Neighbourhood Team (DNT) is a group of local police officers dedicated to serving your community. The team is made up of officers based in your area, supported by the wider policing family.

What Matters to You

It's time to update our priorities. Your priorities are chosen quarterly and are based upon information gathered through Neighbourhood Link (NHL), social media, local engagement and emerging crime trends. You have stated that the following key themes are important to you.

#YouSaidWeDid

Priority 1)

You Said: Anti-Social Behaviour in Parks was occurring.

What we will do: We will target our patrols in these locations and deal with any associated issues we discover. We will work with parish councils to implement prevention measures in these locations and we will educate and divert those responsible.

Priority 2)

You Said: Off-Road Motorcycles were causing ASB.

What we will do: We will target our patrols in locations that have been highlighted as hot spots for this. We will continue to work with partner agencies and landowners to prevent access to inappropriate locations and enforce, using Section 59 powers, any offenders identified.

Priority 3)

You Said: Theft of & theft from motor vehicles was a concern.

What we will do: We will conduct pro-active patrols and develop intelligence to identify and bring offenders to justice. We will also target harden across the beat to help prevent these from happening in the first place.

What we have done #YouSaidWeDid

Theft of motorcycles across the Bardon Hill area.

This month we've seen an increase in reports of motorcycle theft across the area. During this period the team have worked tirelessly and every bike bar one has now been recovered. Further to this, a suspect has been arrested and recalled to HMP. This is a great result for both the motorcycle owners and our team. We would like to thank everyone who supports us and would ask that if you have any information which would assist us then please get in touch.
