What matters to you

We have listened to you and the concerns you raised and will Prioritize the following from July 2026.

Priority 1: ASB. You said: You have concerns around anti- social behavior across the village. We will continue to try and disrupt this type of behavior and use the ASB incremental approach to deter offenders.

Priority 2: Speeding. You said: You are concerned about vehicles speeding in the villages. We will continue to monitor and enforce speed across several sites in the village.

Priority 3: Burglaries. We aim to work with the relevant authorities to reduce the burglaries across the village and to try and reduce the number of reported thefts from the recycling Centre. Visiting victims and prevention advice.

News

July

Priority 1: The beat team aim to tackle different elements of ASB in Mountsorrel

Throughout July, neighbourhood officers have continued to deal with a number of ongoing issues involving disputes and anti-social behavior between neighbours. These incidents often require a coordinated approach, and officers have been working closely with partner agencies to identify the most appropriate solutions and provide long-term resolutions for those affected.

The local policing team remains committed to tackling ASB and ensuring that residents feel safe and supported within their communities. Where necessary, officers have provided advice, carried out follow-up visits, and worked alongside housing providers and other relevant organisations to address concerns and reduce the likelihood of further incidents.

In addition, the station's dedicated ASB vehicle, crewed by two Police Community Support Officers (PCSOs), has been actively deployed across the area throughout the month. The team has conducted regular high-visibility patrols, providing reassurance to residents, identifying local issues, and engaging with members of the community. These patrols play an important role in preventing anti-social behaviour, gathering intelligence, and addressing concerns raised by local people.

Priority 2: The beat team aim to target reports of speeding in Mountsorrel.

Speed Ops

This month Officers conducted a speed check operation on Leicester Road, Mountsorrel as part of our ongoing commitment to improving road safety in the area.

During the operation, we monitored 105 vehicles. The vast majority of drivers were travelling within the speed limit, which is encouraging to see. Two drivers were found to be travelling slightly above the limit and were given words of advice regarding their speed.

Thank you to everyone who continues to drive responsibly and helps keep our roads safe. We will continue to carry out speed enforcement and education activities across the area in response to community concerns.

Priority 3: Burglaries

We are pleased to report that no burglaries were recorded within the village during the month of July. While this is positive news for the community, we would encourage residents to remain vigilant and continue taking simple crime prevention measures, such as ensuring doors and windows are secured, valuables are kept out of sight, and any suspicious activity is reported promptly.

Throughout the month, officers have conducted high-visibility patrols across the village, focusing on residential areas, key routes, and locations identified through local policing priorities. These patrols provide reassurance to residents, help deter criminal activity, and offer opportunities for officers to engage with members of the community.

Neighbourhood officers will continue to carry out regular patrols and work closely with residents to help maintain the village's low crime levels. We would like to thank the community for their ongoing support and cooperation in helping to keep the area a safe place to live, work, and visit.

If you witness any suspicious behavior or have information about criminal activity, please report it via the appropriate policing channels. In an emergency, always call 999.

Beat Engagements and Events

Please see our beat surgery locations below. Feel free to pop in and chat with us if you have time.
