Priority 3: Road Safety

You Said: You have told us that road safety is a priority, this includes speeding, dangerous driving, no insurance, no MOT, no tax and more.

#WeDid - What we are doing

Op Sceptre during the month of May there was a week of action called Op Sceptre this a national week long campaign raising awareness against Knife crime. On the 20th May officers from the local area completed knife sweeps in local parks including Lutterworth Country Park and Crescent Road Recreational Ground.

This month several school visits have been completed by the beat team after we have been asked to attend. This gives children the chance to see police colleagues and for them to look around police vehicles. These events are great for children who often have a lot of questions for us.

Regular patrols are conducted around ASB hotspots as always on the beat area from information we receive from you the community. Some individuals have been visited by police in the past month following ASB incidents being reported.
