

18 October 2024

Welcome to your weekly update from your NPA Commander

## Introduction

Welcome to my update for the residents of Melton & Rutland Neighbourhood Policing Area (NPA). This Newsletter is to give you a snapshot of what has been happening over the last seven days and to also look at our policing plans in the near future.

## Hate Crime Special Edition

This week has been Hate Crime Awareness Week, which is aimed at increasing understanding of hate crimes, hate incidents and ways to report them.

I have attended Longfield Academy this week where it was great to meet students and teachers and discuss a matter of topics, including hate crime.

Report and get advice about hate crime

Hate crime is really impactful and due to the national picture it has increased over the summer period. This week we have received two reports of hate crime in Rutland and none in Melton. Both remain under investigation and have had input from our hate crime officers.

Next week is half term—I just want to reassure our residents that we have a policing operation in place to combat and address any spike in ASB. If you see or experience it, please report it.
