Uppingham Newsletter #yousaidwedid

October 2026 Edition

Welcome to your monthly newsletter!

Focusing on the priorities that you want your local policing team to deal with

What matters to you

We have listened to you and the concerns you have raised through surveys, community consultations and analysing crime trends.

Using this data, we have created the following Uppingham Town priorities that the Dedicated Neighbourhood Team will focus their efforts on:

Priority 1: Road Safety.

You said: Speeding vehicles on Rutland roads is a priority you want us to address, specifically the lack of adherence to 30mph zones.

We Did: During Oct 26, assisted by our response colleagues high-visibility patrols were conducted in the Uppingham area. Several vehicles were stopped and checked, with positive engagement and enforcement activity undertaken where appropriate. PCSO Wylie has conducted speed monitoring in Uppingham.

The results from the mobile speed camera van visits to all locations in Rutland can be viewed at www.speedorsafety.com**.**

Priority 2: Drugs.

You Said: The selling and use of drugs remains a key priority for the people of Uppingham as we move into the final quarter of 2026.

We Did: During Oct 26 with support of our response colleagues, we have actively patrolled the Uppingham town centre and surrounding areas to address concerns relating to drug use and drug dealing. Through proactive patrol activity and engagement with members of the public, several individuals have been identified and dealt with appropriately. Intelligence has continued to be gathered and developed to improve our understanding of those involved in drug-related offending, enabling us to target our resources effectively. Investigations into suspected offences remain ongoing, with the aim of disrupting criminal activity, deterring offending, and bringing offenders to justice.

Priority 3: Anti-Social Behaviour

You said: Anti-Social Behaviour (ASB) remains a key priority for the people of Uppingham as we move into the final quarter of 2026.

We did: During Oct 26, with support from our response colleagues we have continued to carry out proactive high-visibility patrols within Uppingham town centre and other identified hotspot locations to address concerns relating to anti-social behaviour. Reports of youth ASB have reduced over the period.

Crime and Policing Report

Theft x 1, Theft of Fuel x 2, Public Order x 2 and Fraud x 1

Crime Prevention

Preventing Theft from a Vehicle

Having your car broken into and losing your things to thieves can be very distressing. Here are a few simple steps you can take to keep your vehicle, and what's in it, safe.

- **Always lock your vehicle.**
- **Close all the windows fully.**
- **Secure your number plates with tamper-resistant screws.**
- **Fit locking, anti-tamper wheel nuts to secure alloy wheels.**
- **Secure anything that's on the outside of your vehicle.**
- **Take it with you or hide it – don't leave personal belongings in the vehicle and if you must, not on display.**
- **Hide electrical items like Sat Navs and phone accessories, leave no clues.**
- **Park in well-lit, busier areas with CCTV where possible and choose your carpark wisely.**
