Highlights from the month

Working alongside our partners, several improvements have now been introduced throughout the Granville Rd car park. New warning signage has been installed, highlighting that anti-social use of vehicles will not be tolerated and that police can take action under Section 59 of the Police Reform Act 2002.

Officers were out on the car park and took positive action!
A vehicle was stopped after being driven at excessive speed and in a manner likely to cause alarm, harassment and distress.
The driver admitted driving at speeds more than 45 mph, The driver was dealt with, and the vehicle was seized using Section 59 powers.

While out on patrols, residents brought this issue to our attention. The overflowing bins and waste were affecting the appearance of the area and causing an obstruction on the pavement.
submitted a report through Love Clean Streets so the matter can be assessed and addressed by the relevant department.
