PC Darbar, PC Taylor and PC Makda conducted high-visibility patrols around several areas within East Leicester beats including Conduit Street, Prebend Gardens, Rowlatts Hill and Humberstone Park. During their patrols they were engaging with local residents, listening to concerns, and offering support.

A Sweet Surprise for PCSO Cook! A big thank you to the local resident who gave PCSO Cook a lovely card and a box of chocolates. The kind gesture came after she took the time to listen and take a report about ongoing anti-social behaviour – and is now working proactively to tackle the issue.

#YouSaidWeDid

PCSO Meerun and PCSO Delahunt of Spinney Hills beat were patrolling Spinney Hill Park when they came across large canisters of Nitrous Oxide. These are harmful and have been located on a public park which is used by people of all ages, the canisters were recovered and are now in a safe place. If you see something that doesn't look right please report it online, via 101 or in person.

PC 993 Makda and PCSO Meerun were out on patrol along Ambassador Road when they spotted a vehicle being driven in a concerning manner. A quick stop check revealed the driver only had a provisional licence and wasn't following the rules for learner drivers of no supervision, no L plates and not insured properly. A Traffic Offence Report (TOR) was issued and the vehicle recovered. If you're a learner driver, here's what you NEED to know:

- ◆ You MUST be supervised by someone aged 21+ with a full UK licence held for 3+ years
- ◆ You MUST display L plates clearly – front & back of the vehicle
- ◆ You MUST have the correct learner driver insurance
- ◆ No motorway driving unless with a DVSA-approved instructor in a dual-control car

Breaking these rules isn't just illegal – it's dangerous, stay smart, stay safe, and drive responsibly.

It was a busy shift for PC Darbar and PC Taylor, their day started with an emergency call to an attempted burglary. Thankfully, nothing was stolen, an investigation is now underway to catch the suspect. Later, they were out on high-visibility patrols around Rockingham Close and Beatty Avenue – engaging with the community and conducting enquiries. To finish off the day, they joined an area search for a wanted male. With help from fellow officers and the amazing dog unit, the suspect was located and arrested.
