**Priority 1: You told us that you were concerned about burglaries within the Oadby area.**

**What we are going to do:** Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

## Safer Streets Summer

This summer, Leicestershire Police is supporting a nationwide campaign aimed at making communities safer, more vibrant and welcoming for everyone during the summer months. A Government initiative, led by the Office of the Police and Crime Commissioner, the force, along with partners, aims to reduce anti-social behaviour and create stronger community ties. The initiative will also focus on enhancing visible policing through increased patrols, community engagement events, and targeted enforcement. The force will deliver the Government's plan alongside local councils across the counties, youth services, community groups, and businesses. The focus of the Safer Streets summer town centre initiative is visibility, prevention and enforcement. It is also about what can be delivered in partnership with councils, schools, health services, business, transport and community organisations. We have been actively conducting patrols today across South Wigston, Wigston and Oadby neighbourhood areas, and engaging with the community to ensure we are tackling crime and antisocial behaviour. ### **Oadby Gurdwara - Nagar Kirtan Procession**

Local neighbourhood police officers and PCSOs supported the Oadby Gurdwara Nagar Kirtan procession on Sunday 27/07/2025, which marked the first time this event was held by Oadby Gurdwara. Local residents gathered to participate in the procession and walked along Rosemead Drive, London Road, and Wigston Road. A Nagar Kirtan is a Sikh religious procession during which hymns from the Sikh holy scripture are sung as the community travels through the neighbourhood. This significant event fosters unity, allowing the community to come together in celebration and share their faith.

Following the procession, police officers and PCSOs had the opportunity to engage with community members and reflect on the procession. We sincerely thank residents for their patience and understanding during the road closures and diversions. Our gratitude also goes to Market Harborough Police Station police officers for their invaluable support. Events like these serve to strengthen community bonds and bring everyone together in celebration and harmony.

### **Meet Your Police Session**

PCSO Nad was organised a Meet Your Police Session on Thursday 31/07/25 with residents at the St Paul's Church Coffee Pot Morning in Oadby. This was a valuable opportunity to share information on how to protect yourselves from online and telephone scammers. PCSO Nad answered questions and provided practical tips on recognising and avoiding these types of fraudsters. As part of the Safer Streets Summer initiative, PCSO Nad also distributed battery-operated door chimes. These simple devices are an effective way to alert you when someone enters the door, helping to enhance home security and peace of mind.
