What matters to you

We have listened to you and the concerns raised and will prioritise the following:

Priority 1: ASB. What we are going to do: The beat team aim to tackle different elements of ASB in Anstey, Thurcaston, Cropston and Newtown Linford. Highlighted areas were both allotments in Anstey, Paper Mill Close and neighbouring recreational ground in Anstey, Mitchell's Field in Anstey, Bradgate Park.

Priority 2: Speeding and Road safety. What we are going to do: We will be looking at Road safety issues in Anstey and villages, including speeding, parking issues (especially around school times), obstructions in Anstey (in particular parking on Cropston Road), vehicles not complying with traffic signals in the Nook, and use of electric scooters in public places.

Priority 3: Drugs. What we are going to do: We are aware of areas where drugs are used, especially in public areas and causing distress for others. We are also aware of certain addresses and areas where drugs are dealt. We will be targeting these areas to try and cut this down. Please make contact with us if you have any information about this!

Anstey Beat team covers the large village of Anstey. They will also service the below villages along with Charnwood West beat team.

- Newtown Linford
- Cropston
- Ulverscroft
- Thurcaston

Anti Social Behaviour

We have patrolled all of these areas over the last month and specifically we have patrolled Mitchells field for youths parking up in an evening, playing loud music and littering, Paper Mill Close, Staddon Road recreational ground for rowdy youths, the allotments on Groby Road and the Nook car park for youths using gas canisters, although on our patrols these areas have all been peaceful and in order. We will additionally be patrolling Albion Street in Anstey following reports of youths breaking into a disused warehouse.

We are still seeing people riding e scooters and illegal electric bikes around the village. Please remember that these are illegal and we can remove these from people – They aren't cheap and you won't get them back.

We have also received reports recently of motorbikes being ridden around in an antisocial and dangerous manner in Cropston and Thurcaston. We will be patrolling these areas and looking to seize these motorbikes and / or prosecute the riders of them in these circumstances.

Drug dealing and antisocial drug use

We have patrolled these areas over the last month, particularly the areas around Paper Mill Close and Burgin Road and continue to gather intelligence on our patrols from local residents. We will continue to patrol over the coming month and build intelligence to take steps to enforce when and where possible.

We take reports of drug use and drug dealing seriously and will enforce when we can, but this does also rely on us gaining intelligence from our residents – Please always contact us directly (either online, in person if we're at our office or by calling 101) if you have information that we may find useful!

Road Safety Issues.

opened up again, so we will recommence our school parking patrols where possible.

The new double yellow lines are now in operation on Cropston Road in Anstey, which should alleviate parking issues that many people have reported for several years. We're aware that this may now cause more people to park on the adjacent side roads on occasion – This is a good time to remind all that parking is available at both the Co-Op car park on Cropston Road for a couple of hours and the Nook car park. If you do park on side streets near to Cropston Road on busy days, then PLEASE park considerately and with respect of the residents of those side streets.

We are always monitoring speed complaints at existing and new locations. If you have information or concerns at a location, please let us know.
