PCSO 6098 and 6024 conducted a beat surgery at Thurmaston retail park, engaging with local residents.

On 18/12 PCSO 6024 and 6098 conducted a beat surgery in Syston town square, giving local residents the chance to stop by, ask questions and share any concerns in person.

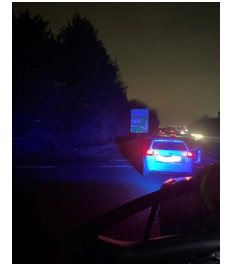

On 06/12, PC 1651 attended the Thurmaston Branch, Royal British Legion to give safety and security advice.

Over the past two months, the Charnwood Beat Team, with support from traffic units, has maintained a high-visibility presence at Thurmaston Retail Park in response to concerns around anti-social behaviour. This proactive approach has included regular patrols and, on one occasion, the issuing of a dispersal order to address disruptive activity. We continue to work closely with retail park management and the local authority to develop a sustainable, long-term solution that promotes safety and reassurance for both businesses and visitors to the area.

The beat team have been conducting evening patrols in the rural areas of the beat.

A car was stopped in Queniborough by PS 4017 and PCSO 6024. Both occupants were known to us, and after a quick chat, a bag of cannabis was found where the passenger had been sitting. The passenger was arrested for an unrelated warrant, which they were outstanding for, and further cannabis was discovered in the vehicle.

Happy new year from the Beat team!

A car with no insurance was seized in Syston by the beat team out on patrol.

Reports of dodgy driving in Thurmaston led the beat team to stop a vehicle.

## What did we find:

- Cannabis inside the car
- Driver failed roadside drug test
- Male was arrested

Please continue to report any suspicious activity.
