## News

An ECINS report (our ASB reporting system) has been created after ongoing issues have been reported to us about youths entering a barn in Whetstone, the Barn which is owned locally has been damaged and items have been taken. The group of youths, whom are believed to be approximately 13/14 years old, are believed to be causing numerous issues around the area. The team are working closely with a local school to identify those responsible. If you have any information in relation to this please call 101 and quote ECINS number ref.1344857.

Unfortunately, again we've seen reports come to us of youths causing more issues in the precinct in Blaby. Around 15 youths, some wearing ski masks were seen riding bikes inside Iceland and causing issues for Dominoes as well. The ASB seems to be happening during the early evening. Do you know where your kids are? Who they're associating with? The team are aware of these issues and will be looking to identify those involved.

Two men have been charged as part of an ongoing police investigation following a firearms discharge in Glen Parva. Police were called to an address in Hewes Close on Friday 6 March after shots were fired outside an address at around 8.40pm. No one was injured in the incident. Detectives have been carrying out a number of enquiries as part of the investigation. A total of 10 people have been arrested so far. Two of those arrested have since been charged. Aaron Flusk, 25, of The Crescent, Whiston, Prescot and Sam Comer, 18, of Stanwood Gardens, Whiston, Prescot have been charged with conspiracy to commit murder and conspiracy to possess a firearm with intent to cause fear of violence and intent to endanger life. They have been remanded into custody and are due to appear at Leicester Crown Court in May.

We are seeing online a lot of people discussing the motorbikes on Oakfield Park in Blaby. Please can you call us when they are there, we'd love to see any footage you may have or any license plates (if they have any). We would like to track these individuals down so if you have any knowledge or who they are please get in contact with us.
