Other News

This month local officers PC Al and PCSO Tay has been conducting proactive patrols in drug hotspot areas such as Swinford Avenue and Hillsborough Close, as well as conducting street consultations in the area speaking with residents. The whole team have been developing intelligence and will look to take action and enforcement using the intelligence that is given to us by the public or from what we discover ourselves.

Also this month PCSO Dyl and PCSO Tay assisted the parks team in clearing out Her Lady's Covert open space off Monmouth Drive. The parks department as well as a team of volunteers were there to clear out the area of rubbish and other fly-tipping. Hopefully this has made the area more pleasant for residents.

PC Nat and PCSO Dyl were out on the beat this month conducting a speeding operation across a variety of locations reported to us by residents. During the operation they recorded over 100 vehicles and 7 were found to be breaking the speed limit. These drivers were dealt with appropriately.
