News

Our Officers are never off duty, an off duty officer travelling down Foston Road in Countesthorpe noticed a vehicle in front driving slowly and drifting a number of times into the verge before correcting itself. The driver of the vehicle pulled into a side street and parked, our off duty Officer followed the vehicle and spoke to the driver in case they were having a medical emergency. It quickly became evident the female occupant was intoxicated. This occurred at 15:30 on a Friday afternoon just after children had finished school. Local Officers were called to assist and to conduct a road side breath test. The female blew 5 times the legal limit and was promptly arrested at the scene and transported to custody.

A man has been charged with 7 thefts from shops after being detained by staff at the Tesco store in Countesthorpe. The male was wanted for several thefts around the County and the staff at the store were integral in capturing this male. The male is set to appear in Court at the end of the month.

We are still receiving calls in relation to dangerous parking on Wheatlands Drive in Countesthorpe, a call was received from a resident stating they'd had to walk into the road with their pushchair to get around a vehicle blocking the pavement. This road can get extremely busy so please be mindful of where you park.

Please come along to our next Beat Surgery to meet a member of the team and discuss any issues or concerns you may have, please see when and where this is below. We look forward to seeing you soon.
