What matters to you

We have identified the following priorities which are in place as of 1st July 2026:

- **Priority 1: Anti-Social Behaviour (ASB)**

You Said: ASB is prevalent in the local area and continues to cause concerns, particularly within the estate.

We Did: High-visibility patrols remain in place within known hotspot areas, and further enforcement action will be taken where necessary against repeat offenders. This partnership approach aims to reduce incidents and provide reassurance to local residents, with ongoing monitoring to ensure the issue.

- **Priority 2: Drug Dealing**

You Said: Drug dealing continues to be a key issue around the estate.

We Did: Tackling drug dealing and drug use remains a key priority for police. Officers continue to carry out targeted operations based on local intelligence and are working closely with Leicester City Council to take action against addresses linked to drug-related activity.

- **Priority 3: Off-Road Vehicles**

You Said: In previous years as we head towards the summer, off-road bikes and quad bikes start to become an issue – being ridden illegally and dangerously in open and green spaces.

We Did: Operation YATTER continues to address the ongoing issue of off-road bikes and E-bikes being used across open spaces within the beat. Officers have taken positive action, resulting in the seizure of several off-road bikes and E-bikes linked to anti-social behaviour and community disruption.

Police will continue to carry out targeted patrols and intelligence-led activity to identify those responsible and take enforcement action where necessary. The use of a range of proven tactics from previous summers remains in place to reduce incidents and improve safety for residents.

Other Local News

- ◆ The week starting 29/06/26 was ASB Awareness Week, a national initiative aimed at highlighting the importance of tackling ASB with partnership working, local responses and victim support. Over the course of the week, we shared the hard work that goes on daily via our NPA teams across our social media channels, along with practical advice for the public.
- ◆ To find out more about the ASB team and their work, visit the Prevention page. This information is then available to local policing teams who can use this data to have discussions with the local authority and other partners about safety in the local area. Street Safe can be accessed here: <https://www.police.uk/streetsafe>
- ◆ There has been good work by the beat team, who have seized two vehicle that had been linked to crime, seized a Surron off road bike from a male in a balaclava, arrested a male for suspected drug driving and cannabis possession, and also recovered some stolen meat from a prolific shop lifter who has been arrested and charged. This all happened in one shift!
