#YouSaid - What matters to you.

We have listened to you and the concerns you raised and will prioritise the following in February 2025.

Priority 1: Theft

You said: You told us that you were concerned about thefts, this can include shop thefts and vehicle break ins in the area. We will try to prioritise this going forward.

Priority 2: Motor vehicle crime

You Said: you told us that you were concerned about vehicle crime this includes anything from theft of vehicle to theft from vehicle.

Priority 3: Road Safety

You Said: You have told us that road safety is a priority, this includes speeding, dangerous driving, no insurance, no MOT, no tax and more.

#WeDid - What we are doing

As part of our ongoing priorities in Lutterworth, we have been focusing on thefts, vehicle crime, and road safety.

• Thefts: We have carried out targeted patrols around local shops and car parks, identifying and dealing with known offenders. We've also engaged with businesses to provide crime prevention advice and strengthen links with shop staff.

• Vehicle crime: We have increased evening patrols in hotspot areas, spoken to residents about simple security steps they can take to secure there property.

• Road safety: We have conducted speed checks in areas raised by the community and offered visible reassurance patrols around schools at peak times. We continue to work with partners to highlight the dangers of speeding and inconsiderate parking.

Lutterworth Beat Newsletter – March 2026

Hello from the Lutterworth Beat Team,

As we move into spring, we wanted to share an update on the work your local officers have been carrying out to keep our communities safe. This month has seen proactive policing activity, targeted operations, and a significant result in tackling local drug production.

Traffic Operation Success

During March, officers conducted a **targeted traffic operation** across Lutterworth and surrounding villages. The focus was on the key offences that contribute to serious collisions and road harm:

- **Mobile phone use while driving**
- **Speeding**
- **Failure to wear seatbelts**
- **Drug driving and drink driving**

The operation ran throughout the day and resulted in **numerous tickets being issued** for various offences. During the checks, officers also arrested **one individual for a domestic-related offence** after concerns emerged during a stop.

Our aim remains clear: to improve road safety and prevent avoidable tragedies on local roads.

Major Cannabis Factory Discovered

A major policing result for the team this month came following the execution of a **warrant at a property in Lutterworth**, where officers uncovered a **significant cannabis factory**.

Upon entering the premises, **two males attempted to flee**, but were swiftly detained by officers and **arrested at the scene**. Inside, officers found:

- **Over 1,600 cannabis plants**
- An estimated value of **more than £1 million**

This discovery represents a substantial disruption to organised criminal activity operating within the area. The investigation is ongoing, and we continue to work closely with specialist units to ensure those responsible are brought to justice.
