Your Dedicated Neighbourhood Team (DNT) is a group of local Officers dedicated to serving your community. The team is made up of Officers based in your area, supported by the wider Policing family.

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you. #YouSaidWeDid

You Said	We did
Drugs Offences - Drug dealing and taking drugs	We would like to thank members of the community for continuing to report concerns relating to drug use and drug dealing in the area. Any information received is assessed and developed by the neighbourhood team to support ongoing action. As schools return, we are also hoping to carry out planned visits to raise awareness of the dangers and impact of drug use. Please continue to report any concerns or information you may have.
General ASB, congregating youths, use of e-scooters and bikes.	Numerous reports have been made in relation to e-bikes and scooters around the Blaby and Cosby area. Op Pedalfast is ongoing and any of these bikes stopped will be seized. Thank you for reporting them.
Road Safety including car cruising, anti-social driving and vehicle safety has been highlighted by the public as an issue.	Road safety, including concerns around car cruising, antisocial driving and vehicle safety, continues to be a priority for the neighbourhood team. We monitor reports and information received from the public and, where possible, actively attend incidents of concern within the area. Officers will continue to engage with drivers, provide advice, and take appropriate enforcement action where necessary. We would encourage residents to continue reporting any concerns to help us address issues and keep our roads safe.

News

PCSO Vicki and PCSO Calum had a fantastic visit to Daisy Chain Nursery in Whetstone. The children were incredibly enthusiastic and eager to learn all about policing. They asked lots of brilliant questions and were excited to see our police van up close. One of the highlights of the day was getting the chance to try on some police uniform and imagine what it's like to be a police officer. The smiles on their faces said it all! Thank you to all the staff and children at Daisy Chain Nursery for making us feel so welcome. We loved spending time with you and helping the children learn more about the role of the police in their community.

What a fantastic weekend at the Cosby Victory Show! The NH21 Beat Team were pleased to attend this year's event and would like to thank everyone for the warm welcome we received throughout the weekend. It was great to meet so many residents and visitors, have a chat, and enjoy everything the show had to offer. A big thank you goes to the organisers and volunteers whose hard work helped make the event such a success. The period dress, displays and demonstrations were excellent, creating a fantastic atmosphere throughout the weekend. The event offered visitors the chance to learn more about the Second World War while enjoying a wide range of displays, reenactments and activities. Thank you to everyone who stopped by to say hello and speak with us. We thoroughly enjoyed being part of another successful Cosby Victory Show and look forward to returning next year.

Officers are appealing for witnesses and information after a man was stabbed on a canal towpath in Glen Parva. The incident happened at around 2.30pm on Friday (11 September) on the towpath behind New Bridge Road, close to the junction with Leicester Road. The victim, a man in his 30s, was attacked by two men and sustained a puncture wound to his body and cuts to his arm and face. He was taken to hospital for treatment and discharged the same day. Detective Constable Emma Firmstone, the investigating officer, said: "I'd like to speak to anyone who was in the area at the time and saw what happened. "I'd also like to speak to anyone who has footage of the incident or saw someone acting in a manner that caught their attention. I'm sure there will have been people walking along the towpath that afternoon and anything you can tell us could help us."
