## What matters to you

- Speeding.
- Anti social behaviour.
- Vehicle crime.

## What have we done

- Speeding - checks between 01/06/2024 and 30/06/24.
  - Three visits to A47, one visit to the A6003 Great Easton and one visit to B6047 at Tilton on the Hill.
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Increasing patrols in areas where anti social behaviour is being reported to us.

It was my absolute honour to present our very own PC Steve Winn with his Police Long service medal. Police officers get this after 20 years of service. Definitely an achievement.

He's served the communities of Market Harborough policing area for over twenty years, and his knowledge of the towns and villages is second to none. He knows everyone and everyone knows him. A true beat officer and one of the best. Congratulations Steve, well done.

For a weekend late shift I was joined by a special guest. DCI Rob Arthur spent the shift as a 'double crew' and the joys of an array of incidents and jobs. Although you would never guess by looking at us there was 42 years of policing between us. In true response policing fashion we were late finishing but it was nice to reunite as our careers started together (one of us has progressed more than the other! #nationalresponseweek
