What matters to you

- Speeding.
- Rural crime.
- Anti social behaviour.
- Vehicle crime.

What have we done

- Speeding and traffic operations around arterial routes and country roads.
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Raising awareness of technology to prevent vehicle theft, such as Faraday bags.
- Increasing patrols in areas where vehicle theft is higher and using automatic number plate recognition (ANPR) to stop suspicious vehicles.

This month Harborough officers completed an operation with the Rural Crime, Safer Roads and Roads Policing Team in relation to driving safely on rural roads. We had a virtual reality experience from Leics Fire & Rescue Service to educate drivers.

This was the monthly, live, question and answer phone in with Harborough FM. Sgt Jelbert was on air for an hour from 2pm to 3pm answering your questions and concerns, meaning we are able to reach out to our rural communities. Our next live phone in is 2pm on Thursday 23rd November. Tune in on HFM on 102.3FM and get your questions in to us.
