What matters to you

- Speeding.
- Anti social behaviour.
- Vehicle crime.

What have we done

- We have organised a number of speeding operations utilising speed guns. We have also requested the mobile speed enforcement van to attend various locations on the area to assist us. You can view this on the road safety website by following this link, which is regularly updated. [Camera van enforcement hours and offences - Leicester, Leicestershire and Rutland Road Safety Partnership \(speedorsafety.com\)](https://www.speedorsafety.com/camera-van-enforcement-hours-and-offences-leicester-leicestershire-and-rutland-road-safety-partnership)
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Increasing patrols in areas where anti social behaviour is being reported to us.

Following a series of burglaries to shop premises in the town centre,, local officers caught the culprit. This post from Facebook.

A good result today! We went to conduct an arrest attempt on a suspected Harborough burglar and there was no one home. But on our way back, PC Tom and Sgt Pete spotted the male walking along the pavement, and after a brief chase they successfully detained him 🚔🚔
Needless to say, it's pot noodles for dinner tonight 🍜 He will be questioned in relation to several other linked offences whilst our enquiries are ongoing. We have received reports around this and have focussed our investigation accordingly - always report suspicious circumstances to us. PC Reece and PC James 🚔🚔🚔🚔 #InYourCommunity ❤️

Police invited parish councillors to Police Force HQ to meeting with the local policing team and partners to talk through the issues that were important to them and to present on the work that Neighbourhood policing teams are doing in their areas.

Presentations were given by the LFRS Community Safety, Harborough District Community Safety Partnership, the Road Safety Unit, the Rural Crime Team and from the local policing commander Inspector Liz Perry who talked about policing priorities and crime in the district.

It was a great opportunity for parish councillors, who are all volunteers in their community, to meet their local police officers and discuss how we can work together effectively on the issues that really matter to the community.
