We have listened to your concerns and will prioritise the following:

Priority 1: To reduce the number of thefts in and around Loughborough Town Centre.

What we have done: Cycle register schemes continue, and it is pleasing to note that there has been a significant decrease in the number of cycle theft reports.

Working closely with the town centre security wardens, we have seen a decrease in the number of thefts.

We have linked in with several stores who have been repeatedly targeted to help reduce the number of thefts they are having. With that several arrests and remands have been made as a result.

Priority 2: Reduce Anti-social behavior reported by residents across the local area in varying formats including car cruise meetings, noisy parties, youths causing issues in the town Centre.

What we have done: Additional officers are currently being deployed as part of Operation Lexical, whereby officers patrol in and around Loughborough town centre to combat reports of anti-social behaviour

The safer streets team are deployed into the town centre to tackle ASB in the vicinity, they work closely alongside council and retail establishments to tackle this behaviour.

Priority 3: There are an increasing number of e-bikes and e-scooters being used in the town Centre which is causing potential danger to pedestrians.

What we have done: Operation Pedal fast is currently ongoing to tackle this issue; officers will be taking robust action against those riding illegal e-scooters.

Our dedicated beat team work closely with the safer streets team to offer information to the public around e-scooters at beat engagements and information stalls.

We would like to wish PCSO 6151 Euan Smedley all the very best as he leaves the team to further his career and become a Police Constable.

Euan has been a valued member of the Neighbourhood Policing Team, and we thank him for his hard work, dedication, and support to the community. While we will miss him, we are pleased to see him take this exciting next step and wish him every success in his new role. Congratulations, Euan!

On 29th August we had the pleasure of doing a Patch Walk with the Police and Crime Commissioner, Rupert Matthews. It was a great opportunity to discuss local policing issues, engage with the public and to highlight the work that is carried out to keep Loughborough Town Centre safe.
