And Finally.....

When a vehicle was seen recently going through a red light, it turned into much more for St Matthews officers. Driving after drinking a large amount of alcohol and taking a car belonging to someone else is never going to end well!

Off to custody you go!

The vehicle was returned to the rightful owner and everyone is a bit safer on the roads.

Spinney Hill PCSO Yunus Dada was at Welsey Hall, Hartington Road recently taking part in a Health and Wellbeing event with other agencies and our lovely police volunteers.

Lots of advice passed to those who visited the event.

Every day is different and you never know what you might have to deal with during your shift!

This was the scene St Matthews Officers came across near to Green Lane Road.

No persons were hurt and the Council did a tree-mendous job sorting it out!
