BEAT PRIORITIES

Road Safety - Results from "my views" survey conducted by the local team, via Neighbourhood Link, indicate that this is a priority concern in the Rushey Mead area. This includes speeding, bad parking, use of mobile phones, drink and drug driving. Key locations include Gipsy Lane /Gleneagles Avenue / Peebles Way and outside local schools.

Street drinking— Reports of street drinking in the local area have been highlighted by residents.

Anti-Social Behaviour- Drug use and drug dealing in green and open spaces has been identified by both surveys completed and by your local beat team through various patrols within the area.

Neighbourhood Link

Neighbourhood Link is an easy, free email messaging service from Leicestershire Police, Neighbourhood Watch and other local partner organisations, providing news and updates on policing matters that are relevant to you. We did - We're Taking Action on Road Safety - We've been working closely with our partner agencies, listening to your concerns and taking action to improve road safety across the Rushey Mead area.

- You'll see your local beat officers carrying out patrols at schools during key times to help keep pupils, parents, and other road users safe. We'll also be offering advice and taking action around child car seats and seatbelt use.
- We're working closely with the council and partner agencies to help tackle and improve parking issues in your area.
- We're also committed to identifying and dealing with those using vehicles without the correct documentation, such as a valid driving licence or insurance.
- Please contact the team if you have any concerns.

We're Taking Action on Street Drinkers - Our Dedicated Neighbourhood Officers will look to focus on dealing with this rising trend and the types of anti-social behaviour which stems from it.

- Officers have liaised with the council and have completed patch walks within the located areas.

We Did -We're Taking Action on ASB - The beat team will continue to develop intelligence based on drug dealing within the Rushey Mead area.

- Local officers will conduct stop searches where grounds apply and show a high visibility presence within the area.
- We will actively engage with members of the public and encourage you to inform us of the concerns that you have.
- Our hot spot areas for drug issues includes areas of the Three Kilns Car park, Sandfield Close and Lockerbie Avenue. Officers have focused on these areas and will continue to.

We wanted to make you aware that we have seen and have been made aware of an increase in reports of vehicle crime and burglary offences within the area. These incidents have included offenders, taking items from insecure vehicles, stealing vehicles, and gaining entry to residential properties.

In response, local officers are taking proactive steps to tackle the issue. This includes targeted patrols during the evening and overnight, with plain clothed officers deployed in areas affected by recent offences. These patrols are aimed at identifying suspicious activity, gathering intelligence, and arresting those responsible for committing these crimes.

We are asking for the public's support. You can help by ensuring all doors and windows are secured, keeping valuables out of sight, locking vehicles, and removing keys from inside vehicles and ensuring that you do not leave your keys in your vehicle. We also encourage residents to consider using CCTV, doorbell cameras,

and exterior lighting where possible.

Most importantly, please report any suspicious activity, unknown persons acting unusual, or vehicles that seem out of place. Even information that may seem minor could assist officers in identifying offenders and preventing further crimes.

By working together, we can help make the area safer and reduce opportunities for criminals to operate. Thank you for your continued support.

Officers on the Beat!

PCSO Khalifa was joined by Richard Clarke at the Local Officer Drop-In Session held at Aldi on Fletton Close.

During the session, Richard provided members of the public with practical home security advice and crime prevention advice was given.

It was great to meet everyone at the session!

PC Monohan visited the Healthy Living Group. Following a conversation a home visit was arranged to provide crime prevention advice, security and safety advice.

Safety of residents is one of our top priorities for officers on the Rushey Mead

PC Patel received a call from residents concerning a vehicle that had cloned plates. When attending the area PC Patel recovered the vehicle for having cloned plates.

Later on during his shift PC Patel then recovered a vehicle for driving without a license meaning that their insurance was invalid.
