What matters to you

- **Anti Social Behaviour** —You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, parties, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and prevent them occurring again.
- **Motor vehicle crime**—You told us that you were concerned about vehicle crime. This can be theft of motor vehicles or theft from motor vehicles, this also includes theft of tools from vans and theft of catalytic converters.
- **Road Safety**—You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What have we done **#yousaidwedid**

- **Anti Social Behaviour**—The local neighbourhood team conduct regular patrols in highlighted problem areas.
Officers will advertise on our social media channels when they are out and about patrolling
We record all ASB on our shared system with Harborough District Council and together we will do what we can to reduce problems and provide you with the satisfaction.
We continue to encourage you to report concerns and locations to us, we need this information to conduct more targeted patrols.
- **Road Safety**—the local beat team regularly conduct speed checks and deal with any traffic issues that are reported on the beat. We endeavour to update via social media or Neighbourhood Link when we complete these duties.

Great Result:

After much proactive work by the Safer Streets Team to work closely with the local shops on the beat, a prolific shoplifter has been arrested and remanded into custody.

Michael CHURCH (51 years old, NFA) was arrested and charged with a series of shop thefts including thefts in Broughton Astley. He was charged and has been given a 26 week custodial sentence for these offences.

ASB Patrols:

The local beat team have completed ASB patrols and checks of the local parks and industrial estates around Broughton Astley to make sure things are running smoothly during these darker nights.

After reports of vehicle noise around the Swannington Road estate, checks have been completed for this area and this remains an on-going patrol. Should you have any issues or wish to report ASB or vehicle problems to the police, please check our website.

The local beat team have also been working around the Christmas period and completing patrols to ensure the festive period goes ahead with no issues and for everyone to enjoy the time with family and friends.

Darker Nights Campaign:

🏠 Residential burglaries can be deeply upsetting. It can be traumatic to lose valuable and sentimental items from your home and the thought of a stranger invading your property is distressing.

🔒 Protect your home against opportunist burglars by remembering to lock up and light up.

🌙 These darker evenings can provide the perfect cover for burglars who can easily spot an insecure window or door, or valuable left in plain sight.

👉 Check out our other advice on how to keep your property safe: [Keep burglars out of your property | Leicestershire Police \(leics.police.uk\)](https://www.leics.police.uk/keep-burglars-out-of-your-property)

🚧 Install strong fences and gates and make sure that they are always locked. Consider adding trellis and spiky plants to the fences to make it difficult for burglars to climb over them.

📹 Consider installing external CCTV cameras or video doorbells. Always lock your windows and doors when you are in and out.

💡 Try to make your house look as occupied as possible when you are not there. Use automatic timer switches to turn lamps on and off sporadically.

🔑 Do not leave your house and vehicle keys in the lock or on a side table in view of a window or next to a door. If you wish to obtain a faraday pouch you can visit a police station and ask for a car key pouch.

🔒 Check your UPVC or Euro Cylinder door locks to see if they're snap resistant. It should be stamped with a three-star kite mark. For more information on this please visit the Leicestershire Police Website.

☂️ Do not leave items in open porches that could be used to enter your home such as curved-handled umbrellas. These items could be used as "fishing" implements to use through a letter box or open window.

📰 If you're going away, cancel newspapers and milk. You could also ask a trusted neighbour or friend to keep an eye on your property and take your post inside.

💡 Use external sensor lights on your driveway / rear garden.

🌿 Think about increasing the visibility of the entrances and exits of your home. Consider cutting back and removing large plants and bushes that restrict visibility from the road.
