What matters to you

Our priorities are changing as of October 2026—here is a rundown of what has been achieved over the last 12 weeks.

- **Priority 1: ASB in Open Spaces**

What we did: There have been relatively low levels of anti-social behaviour reported in Victoria Park, despite the wide range of events held throughout the summer months. However, Granville Road car park is becoming a more prevalent location for ASB as the autumn months approach and the evenings become darker—The priorities will reflect this.

- **Priority 2: Theft and Shoplifting**

What we did: From Police records- 32 instances of Shoplifting have been reported to police. The Safer Streets Team, working closely with local neighbourhood officers and retailers, has been heavily involved in initiatives to expedite charge decisions. Combined with ongoing plain-clothes operations, these efforts have resulted in the majority of identified suspects being brought before the courts. This proactive approach has also enhanced our intelligence and profiling of known prolific shoplifters and repeat offenders.

- **Priority 3: Vulnerable People**

What we Did: Regular communication with people who do not often engage with the police. By spending time in the community and having informal conversations, we have built stronger relationships and are now being approached by more people who may previously have been reluctant to speak to us.

Other Local News

In sad news for the beat team we are saying “Farewell” To PCSO Paul Williams. It’s not “Goodbye” As Paul is staying with Leicestershire police to become a police constable. We would like to thank Paul for all his hard-work on the beat and the positive impact he has had on the community. We wish Paul all the very best for the future and he has promised that he will still frequent the coffee shops of Queens Road.

Taking over from Paul will be PCSO 6588 Michelle Holton who is looking forward to joining the beat and meeting you all soon.

Crime Prevention

Alternatively, the Action Fraud website is: www.actionfraud.police.uk

We rely on feedback and concerns raised by the community. To take part in a short survey regarding confidence in Leicestershire Police, please use the QR code to the left. In turn, we will continue to review and adapt our plans accordingly.

Revised Priorities.

After drawing from survey information and crime reports across the beat. Here are the new priorities:

- 1. Granville Road Vehicle ASB**—As the seasons change. We are returning to reports and witnessing Racing and speeding on Granville Road car park—this will be at the forefront of the neighbourhood team.
- 2. Retail Crime**—Still ongoing despite some success. Safer Streets and the beat team will be persevering with proactive work and assisting retail areas with shop thefts.
- 3. Drug activity**—Developing intelligence from sightings and reports across the Clarendon area is the driving force behind our team’s efforts to disrupt drug use in the area and deter those who supply from taking advantage of those most susceptible.
