What we have done #YouSaidWeDid

Patrols have taken place around the Meadow Lane and School lane areas regarding concerns of ASB.

Positive action and work with partner agencies is taking place regarding concerns with a person causing issues within the beat. This takes into account the immediate needs of the community but also looks at a longer term solution to the issues.

Patrols have taken place at key times outside schools. Work continues with partner agencies with a view for longer term solutions to issues raised.

The team are continuing to work on developing a community speed watch team.

The increase in burglaries has resulted in officers being deployed for specific patrols within the Charnwood area paying particular attention areas that have had residential burglaries, this has included the Birstall beat.

The Beat team have also completed regular patrols and have completed enquiries to assist with investigations.

Crime Prevention

Secure Doors and Windows:

- Install Deadbolts: Reinforce doors with deadbolt locks and strike plates.
- Secure Sliding Doors: Use a bar, track lock, or dowel in the track to prevent sliding.
- Use Window Locks: Ensure all windows have locks and consider adding security film or bars for ground-level windows.

Outdoor Lighting:

- Motion-Activated Lights: Install motion sensor lights around entry points to deter burglars.
- Smart Lighting: Use timers or smart lighting systems to simulate activity when you're away.

Fencing and Landscaping:

- Trim Bushes and Trees: Overgrown foliage can provide cover for burglars. Keep landscaping tidy to increase visibility.
- Thorny Plants: Consider planting thorny shrubs near windows and fences for an additional deterrent.
