

Issue: September 2026

Your Team:

PCSO 6164 Harks Sanghera

PCSO 6518 Nad Ikram

PC 4555 Ryan Holden

What matters to you:

Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are doing: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are doing: We have conducted vehicle speed checks at identified locations. Local officers have been targeting motorist's speeding, not wearing seatbelts, using mobile phones and drink/drug driving. Local officers have received reports of identified vehicles being driven without valid insurance, MOT and tax.

Priority 3: Anti-social Behaviour You Said: You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and reduce their occurrences.

What we are doing: Your local police beat team and response officers continue to patrol identified locations, as reported by yourselves with regards to anti-social behaviour and drug related incidents. Officers continue to stop check persons and vehicles who are involved in drugs. Local officers have identified vehicles which are related to criminality.

What we have done #YouSaidWeDid

Some of the key activities from over September includes:

Reassurance patrols

The Oadby Team continues to carry out reassurance patrols across the neighbourhood to help deter crime and anti-social behaviour, while providing a visible and accessible policing presence within the community. You may occasionally see your local officers parked up in police vehicles while out on patrol. This allows officers to complete necessary enquiries and other policing work while remaining visible and accessible to members of the public. If you see us out and about and would like to speak to us about a local concern, please feel free to come over and have a chat.

Anti-Social Vehicle Use

As part of our ongoing neighbourhood policing priorities, the Oadby Police Team continues to address concerns around vehicles being used in an anti-social manner. Officers regularly carry out targeted patrols in identified hotspot areas and respond to concerns raised by residents. Where appropriate, Section 59 warnings are issued to drivers whose use of a vehicle has caused, or is likely to cause, alarm, distress or annoyance to members of the public.

These patrols form part of our continued efforts to tackle anti-social behaviour, promote responsible vehicle use and help keep our neighbourhoods safe and welcoming for everyone.

Drug Misuse

Throughout the month, the Oadby Police Team identified a number of individuals suspected of being involved in drug misuse within the local area. Where offences were identified, appropriate and proportionate action was taken.

Tackling drug-related activity remains an important part of our neighbourhood policing work. We will continue to respond to information and concerns from the community, conduct proactive patrols and take appropriate action where necessary to help reduce the impact of drug misuse on our neighbourhoods.

Community Visits & Engagement

Visit to Oadby Mosque

On Wednesday 2nd September 2026, Inspector Day and PCSO Nad visited Oadby Mosque. Inspector Day used the opportunity to introduce himself to representatives of the mosque and discuss local matters and any concerns affecting the community. These face-to-face conversations form part of a wider programme of engagement with our diverse communities and faith groups across the policing area. Visits such as these are important in helping us build trust, strengthen local partnerships and maintain open lines of communication. We look forward to continuing these valuable conversations as we work together to keep our neighbourhoods safe and supported.

St Paul's Church Summer Fun Day

PCSO Nad joined the community at the St Paul's Church Summer Fun Day in Oadby on Saturday 5 September 2026. It was a great opportunity to catch up with familiar faces, meet local residents and talk about issues that matter to the community. Events like these provide an important opportunity for your local policing team to engage with residents in a relaxed environment and share information about local policing matters. A huge well done and thank you to Reverend Steve Bailey and all the volunteers who helped organise such an excellent event and brought the community together. ***Below PCSO Nad with Reverend Steve Bailey and the community:*** ↓

Launde Primary School Summer Fair

PCSO Nad attended the Launde Primary School Summer Fair in Oadby on Saturday 12 September 2026. The police van proved particularly popular, giving children the opportunity to take a closer look inside and sit in the vehicle. They also had the chance to try on some police uniform, while parents and other visitors were able to speak with PCSO Nad about local policing matters. As always, community events such as this provide a fantastic opportunity to meet residents, catch up with familiar faces and support the schools, organisations and volunteers who make a positive contribution to our local community.

police van.***

Electric pedal-assisted bicycle patrols

During September, I've been swapping four wheels for two and getting out and about on one of our new electric pedal-assisted bicycles, patrolling across my Oadby beat. We now have three electric pedal-assisted bicycles available to support our local patrols. They are a great addition to neighbourhood policing, allowing us to cover different parts of the beat, including locations that are not always easily accessible by vehicle. Bicycle patrols also allow us to remain visible, approachable and connected with the communities we serve. They provide greater flexibility to move between residential areas, parks, footpaths, shopping areas and other key locations across Oadby. So, if you spot one of your local officers cycling around Oadby, please give us a wave or feel free to stop us for a chat. It's always good to speak with the people who live and work in the area and hear first-hand about the issues that matter to you.

Above: PCSO Nad out on patrol on one of the electric pedal-assisted bicycles.

Don't miss out on our events:

You can keep up to date with what your local beat team gets up to by following us on social media:

[Oadby and Wigston Police Facebook](#)

Meet Your Local Officer at the Oadby Library

Wednesday 7th October 2026 - 10.30am to 12.00pm

Diwali Crime Prevention Event at Oadby Gurdwara

Sunday 11th October 2026 - 11.00am to 2.00pm

More Meet Your Police dates, and other events will be listed in the coming weeks. Keep an eye on Neighbourhood Link and social media for updates.

Have Your Say on Local Policing

Your views are important to us and help us understand the issues that matter most to people living and working in our community.

By **scanning the QR code below**, you can share your views on local policing, tell us about any concerns you may have, and highlight the issues you feel should be a priority for your local Neighbourhood Policing Team.

Your feedback helps us build a better understanding of the needs of our community and supports us in focusing our policing activity on the issues that matter most to local residents.

Residents who are not yet signed up to Neighbourhood Link will also have the opportunity to join and keep up to date with local policing news, updates and information.

 **Simply scan the QR code below with your mobile phone or device to have your say. Your community. Your views. Your local policing priorities.**
