## News

A young boy was taken to hospital after falling through a roof at Stockwell Head in Hinckley. Officers attended after reports were received of children playing on the roof. Fire, East Midlands Ambulance Service and Police all attended. The child luckily had no obvious injuries but was taken to the hospital for precautionary checks. The Fire Service very kindly secured the building and temporarily patched up the hole on the roof.

We have been out and about doing further patrols on Castle Street ready for the school kick out time. We have been stopping youths and adults from riding their bikes in the pedestrianised area after a reported incident last week.

We attended an incident at The Crescent where a report came in regarding an aggressive male, who had attempted to shoplift multiple bottles of alcohol

(must've been thirsty). All items were returned to the store, and the male was arrested at the scene.

The NH25 beat team would also like to thank everyone who turned up for our crime prevention event on Friday last week. We are going to be doing more of these events in the near future as well as Cuppa with a Copper which is becoming more and more popular every month.
