

Issue: June 2025

## Your Local Team

PC 658 Charles      Sgt Paterson      PCSO 6501 Sidiropoulos  
PCSO 6018 Muldoon      PC 1242 Cunningham

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you.

#YouSaidWeDid

Your Dedicated Neighbourhood Team (DNT) is a group of local Officers dedicated to serving your community. The team is made up of Officers based in your area and supported by the wider Policing family.

You Said	We did
ASB remains one of the beat priorities.	Drug use and dealing has been reported at a local park in Desford, a Sentinel report has been created to monitor the situation and gain intelligence.
Road safety – numerous reports of overweight vehicles and speeding motorists within the villages. This is being addressed best we can as a small team. The issue remains one for many areas and we understand the concerns. We continue to complete speed enforcement days with the assistance of volunteers and our road safety team.	Op Flux was conducted, see below for details.
Rural crime including burglary will always be a priority for the area of NH29 beat. With proactive patrols and having specialist trained wildlife officers, we are able to focus on the issues those crimes that are more specific to our rural beat locations.	A motorbike stolen locally was recovered the following day at the rear of a property Markfield. To prevent or deter thieves please make sure you lock and secure your property.

## News

A layby on the the A444 near to Sibson was the location of our latest Op Flux. Numerous vehicles were stopped. A driver was summonsed for driving without insurance and using their phone, another reported for summons for no insurance due to already having six points, a van without insurance was issued a Fixed Penalty Notice, a car transporter with 3.5t limit weighing in at 3920kg prohibited by the DVSA and reported, multiple stops for non-conforming registration plates with the worst offenders and repeat offenders given tickets, 5 other vehicles prohibited by DVSA with faults, which now require Full MOTs to be returned to the road and a van with 3.5t weight limit weighing in at 4250kg which was prohibited and reported.

A vehicle was recovered for parking at a crossing, I'm not sure the convenience of its location outweighed the 3 points on their license, £100 fine and the recovery fee! Another vehicle was also recovered under DVLA powers due to being SORN in Newbold Verdon, plus 2 vehicles reported for non conforming plates despite being given a friendly warning previously, one of which also had no MOT and a query over the insurance.

Officers attended a residential property in Twycross recently per the request of the Leicestershire Fire & Rescue Service. Their forensics team could not rule out arson so our Crime Scene Investigators attended. CCTV and house to house enquiries were conducted and an investigation is ongoing. No persons were injured.

## Domestic abuse can affect anyone

### Help is out there

Hinckley & Bosworth Borough Council's Domestic Abuse Outreach Service offers free 1-1 confidential advice, emotional and practical support, signposting to relevant services and therapeutic groups.
