What matters to you

- Anti social behaviour.
- Vehicle crime.

What have we done

- Speeding - mobile site visits between 01/08/2024 and 31/08/2024
A508 Northampton Road, Market Harborough Summary (1 visits) Total Offences: 6
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Increasing patrols in areas where anti social behaviour is being reported to us.

🚲 Despite the appeal of programmes like road wars and police interceptors 🚲 Sometimes it's the more simple things in policing that gets us out and about. This was my chariot of choice today A limited ride as the weather and work demand was against me but it was nice to get out there and trial the power assisted bike for possible further use in our policing area For an even slower journey I might walk tomorrow 👍

Today we had some little visitors to our front enquiry office to see if there were any officers who could speak to them about 'jobs week'. This week they have been to see an office, Leicestershire Fire and Rescue Service and then us 😊 Luckily PC Chris and PC Kelly were caught just before heading out so they could see the police vehicles, lights and sirens 🚒 🚓 Definitely some police officers in the making.....
