

Issue: March 2025

Your Local Team

PS 820 Crowson

PC Bogle

PC Bowen

PCSO Clayton

What matters to you

We have continued to listen to you and the concerns raised. Below has been identified as the main priorities for the beat area:

- **Priority 1: Anti-Social Behaviour (ASB)**

You said: Anti-social behaviour is an issue in the Eyres Monsell area.

We did: We have been made aware by our colleagues at the council of a few issues with anti-social behaviour in the Grange Drive area. We will be increasing patrols in the area so come and say hello if you see us out and about. We are aware there are some concerns around the issues with off road bikes on the recreation ground and other open spaces. As done previously, we will be looking to deal with this by way of education and enforcement so the areas can be enjoyed by everyone.

- **Priority 2: Drug Dealing**

You said: There is a problem with drug dealing on Eyres Monsell.

We did: We are carrying this priority over into the summer months as it has remained an issue. We are aware people are dealing and using on the estate and the wider issues that come from drugs. We are dedicated in tackling those who cause harm in relation to drugs on the EME and welcome any information in regards to those causing these issues.

- **Priority 3: Community Tensions**

You have made us aware of concerns around the change of use of the old Glen Pub on Hillsborough Road and the comments that have been made on social media about this. Local officers are monitoring the situation.

Other News

This month local PCSOs have attended Samworth Academy to talk to the children about the role of the Police in the community as well as showing them around the police car. The children seemed very happy to meet the local officers.

This month the beat team have been completing proactive patrols in our hotspot areas for drugs to detect and disrupt these issues as they are one of our priorities on Eyres Monsell. These priorities are determined by what we are told by the residents of the area.

Also on the Eyres Monsell area the local team have continued to work with our partner agencies such as the Leicester City council community safety team to combat antisocial behaviour on the area. We conduct joint visits with antisocial behaviour officers to victims and perpetrators of antisocial behaviour offering advice and support to the victims whilst dealing with the perpetrators in the most appropriate way.

Please keep an eye on our local social media pages to keep up to date with what we are up to.

We rely on feedback and concerns raised by the community. To take part in a short survey regarding confidence in Leicestershire Police, please use the QR code to the left. In turn, we will continue to review and adapt our plans accordingly.
