## News

Unfortunately we are still seeing incoming calls come from concerned members of the community. We are seeing drivers continue to ignore clear signing, gates and tape, sign posting them away from Watery Gate Lane towards Thurlaston. You would think that with the considerable amount of flooding and the fact that we can see two cars clearly submerged would be enough of a deterrence and clear instruction for drivers to stay away from Watery Gate Lane. If the water levels, signage and submerged vehicles are still not enough for your judgement, then please consider using the water depth post as a gauge for the depth of the water. Please do not risk your modes of transport, prize possessions and even your life, thinking you can cross such flooded areas of the county. It is not worth it. The 5 minute detour is there for a reason. For those of you that are following the diversions and instructions, thank you for your patience and cooperation.

Fantastic bit of work and a great result for the beat PC Jon and PCSO Danny confirmed a stolen vehicle being found on Earnshaw Road in Stoney Stanton. Thank you to Crouch Recovery for their assistance as they brought out the big toys to prove that where there's a will, there's a way.

Two men have been charged after firearms officers were deployed to two addresses in Stoney Stanton and Earl Shilton on Tuesday 10 February. Gareth Warland, 44, of High Street, Earl Shilton, has been charged with possession of an imitation firearm with intent to cause fear of violence. Kierell Woollery, 27, of Victoria Road, Stechford, Birmingham, has been charged possession with intent to supply a class A drug and possession of criminal property. The charges relate to a report of a man being threatened with a firearm in Heath Lane, Earl Shilton. It resulted in a vehicle being stopped in Stoney Stanton and police attending two address – Long Street, Stoney Stanton, and in High Street, Earl Shilton. The men are due to appear at Leicester Magistrates' Court.
