## News

This from one of your beat officers.

Your local Harborough and Lutterworth beat team have been out and about today working alongside the Rural crime team and DVSA, completing vehicle stop checks around Market Harborough as part of Operation Flux. A large number of vehicles were stopped and subject to on the spot defect checks by the DVSA. This led to a number of vehicles being issued prohibition notices and having to be rectified due to being unroadworthy. One unlucky driver had to leave his van behind! It's surprising to see how many vehicles still drive around with defects that could put other road users at risk. #yousaidwedid #inyourcommunity.

The police officers at Market Harborough station drink lots of tea and eat lots of snacks. Which meant with the profit from the years tea fund, we were able to support the very worthy HFM "Toys on the Table" charity again this year. One shopping trolley and £260 later, we were pleased to be able to donate these. Although we did get some funny comments loading the trolley into the back of a police van! And yes, we did return the trolley! Merry Christmas everyone from all at Harborough Police station. Sgt Pete Jelbert & PC Kev Butler. #toysonthetable #merrychristmas
