## 3 MONTH PRIORITIES

### What matters to you?

We are looking to set our priorities for the next three months.

What is bothering you in your area? Tell us what you would like your local beat team to focus on over the next three months?

Send us a message and let us know.

We are also looking to gain your thoughts on policing in general. We have devised a very short survey to get your opinions. Please click either the link or use the QR code.

## And Finally.....

Officers from St Matthews and Highfields have been out and about on patrol. Our presence recently caught the attention of some of the students from Moat College which resulted in an impromptu chat. This casual encounter was great for the students as they felt able to ask us questions freely and have a look at some of the equipment we use.

Everyone was really polite and engaging. It was a pleasure speaking with them all.
