## What we have done over the last 3 months

#### PARKING:

The beat team have been conducting joint operations with the council to educate residents and enforcement where necessary.

#### ASB:

The beat team have worked closely with the local authority to design out part of the problem, we have had benches removed where people who cause ASB congregate. We have had the hedges cut back to increase visibility from the main roads surrounding the park and improved lighting, ultimately making the park feel safer.

## What we are doing cont'd...

### VIOLENT CRIME:

Over the past 3 months your beat team have identified two properties where the occupants are being taken advantage of by drug dealers. We have safeguarded these individuals. We will work with housing and the local authority to proactively identify other vulnerable people with a view of safeguarding them.

OUR NEXT THREE MONTHS PRIORITIES, WHICH ARE DECIDED BY FEEDBACK FROM THE COMMUNITY AND POLICE INFORMATION, WILL BE DETAILED IN NEXT MONTH'S NEWSLETTER.

## And Finally.....

The local Beat Team carried out one of their favourite duties just before Christmas.

Every year Jean Williams, MBE, Chair of St Matthews Tenants Association, organises over 100 food parcels for some of our elderly and vulnerable residents, with donations provided by local businesses and organisations. The police team then deliver the gifts. This year the local team were assisted by their colleagues from the Belgrave area. This was a great opportunity for us to engage with the community and make sure everyone was ok.

HAPPY NEW YEAR FROM YOUR LOCAL POLICING TEAM!
