#YouSaid - What matters to you

Vehicle Crime – Theft from vehicles in Measham and Appleby Magna.

You Said: You have raised concerns regarding an increase in vehicle related crime including theft of, and theft from vehicles. This has been most notable within Measham and the surrounding villages.

#WeDid - What we are doing

We just want to take this opportunity to update you on one of our beat priorities.

As you may be aware one of them at the moment is Vehicle crime – Theft from vehicles in Measham and Appleby Magna.

We did unfortunately see a spike of incidents around November and December within Measham and the surrounding villages.

Since the start of the year we have seen a reduction of vehicle crime on the beat, there have been three reports received. Two of which are incidents in which tools were targeted from vans.

The beat team and response colleagues have been working hard by conducting targeted patrols in the villages. These patrols are driven by intelligence based on the reports received to us. A Waymarker map has been created which assist officers to conduct specific patrols which is monitored and is showing that officers are regularly in the villages.

#WeDid - What we are doing

We have also been linking in with neighbouring police services sharing information about the vehicle crime trend that we have been seeing.

Some of the investigations are ongoing and progressing.

We are planning on holding a crime prevention event this week, where residents can come and speak with their local officers about their concerns, personal and vehicle security advice can also be sought. It will be held at **Measham Village Hall, Queens Street, Measham, DE12 7JE on Saturday 25th January 2025 between 7pm and 8:30pm.**

I would like to take this opportunity to remind and encourage all residents to report any suspicious activity to us.

Thank you

Forest Beat Team
