#InYourCommunity

Dedicated Neighbourhood Officers had the pleasure of joining the community at the Guru Tegh Bahadur Gurdwara's Vaisakhi Gurmat Samagam.

It was fantastic to see so many people coming together both for the procession and on Spinney Hill Park.

The sunshine made it a perfect day - after lots of walking, talking and photographs with the community, our officers took the opportunity to cool down.

Thank you to everyone who made us feel so welcome.

A vigilant member of the public reported a suspicious vehicle to the Police. Officers PC Patecka of Stoneygate beat and PC Taylor of Coleman beat attended the location and conducted necessary checks, revealing the vehicle had been reported stolen from Warwickshire.

Warwickshire Police have been notified, and arrangements are being made for the timely return of the vehicle to its rightful owner.

PC Darbar was out on patrol within various areas on Evington beat, this included Goodwood Road, Downing Drive, Radstone Walk and Allinson Close. PC Darbar spent time chatting with residents, listening to concerns, and keeping the community safe.

On a different shift, PC Darbar stopped by Leicester General Hospital to connect with security staff, chat through any concerns, and show support to both the public and hardworking hospital staff. Working together to keep our community safe and supported!

SGT Brown of Stoneygate beat and PCSO Cook attended a local Tea Program event at the Dialogue Society, this provided an opportunity to connect with people from different cultural backgrounds and share conversations over a warm drink.

It was a great chance to celebrate Leicester's rich diversity and build new connections in a relaxed, welcoming space.

A big thank you to the organisers for the kind invitation and for hosting such a thoughtful and inclusive event.

PC Wicks and PC Makda attended a report of an abandoned vehicle. After carrying out some routine checks at the scene, it was confirmed that the vehicle had been stolen during a recent incident. The car has been recovered and as a result there are now further lines of enquiry to explore.
