### Community Engagement Highlight: Latvian Solstice Festival – Jāņi at Catthorpe Manor

This month, the Beat Team had the pleasure of attending the **Latvian Solstice Festival, Jāņi**, held at **Catthorpe Manor in Catthorpe**. The event was a vibrant celebration of Latvian culture, featuring traditional music, dancing, and food. It was a fantastic opportunity to connect with the local Latvian community and celebrate the summer solstice together.

### Patch Walk with East Midlands Housing – Church Close

On **Monday 16th June**, officers joined an East Midlands Housing representative for a **patch walk around Church Close, Lutterworth**, in response to concerns about **cannabis use**. The walk allowed us to assess the area, engage with residents, and explore ways to address the issue collaboratively.

We work with partner agencies such as local councils, housing and wellbeing services to tackle and prevent ASB using a problem solving approach to achieve the best results

### Police Message: Never Leave Dogs in Hot Cars

As your local policing team, we want to remind everyone that **leaving a dog in a hot car—even for a few minutes—can be fatal**. Temperatures inside a vehicle can rise rapidly, even on a mild day, putting your pet at serious risk of heatstroke or death.

If you see a dog in distress in a hot car, **call 999 immediately**. We take these incidents seriously and will respond to protect the welfare of the animal.

**Please don't risk it—leave your dog at home in hot weather.**
