Evington & Coleman Beat Newsletter

Issue: December 2024

School Visit

PC Mistry and PC Darbar visited Whitehall Primary School in Evington to engage with children and teachers at the school. The children tried on Police uniform including hi-vis jackets, headwear and personal protective vests, they got to learn what each of the different pieces of uniform were for. The children also got to see the different sections of the Police van including activating the lights and sirens. Lots of questions were asked by the children about Police equipment and how we keep people safe, with a highlight being 'how fast can you run?'

A well spent afternoon engaging with the younger community and educating them on the Police and what we do day to day and how we keep our community safe.

#InYourCommunity

PC Makda teamed up with an Officer from Leicester City Council's Community Safety Team to visit several addresses. Amongst reassuring interactions with residents of the Evington beat, formal warnings were issued in relation to anti-social behaviour.

Further, Leicester City Council received complaints in the summer regarding overgrown bushes and anti-social behaviour issues on Halstead Street within Coleman beat. It was decided three benches at the location were going to be removed along with trimming of overgrown bushes to assist in reducing anti-social behaviour.

2024

New Year

As we transition into 2025, your local beat team will continue to work tirelessly to address issues that you have highlighted to us. This includes:

Ongoing collaboration with retail stores

Work with partner agencies to effectively tackle issues such as anti-social behaviour and fly-tipping

Patrols within open spaces on Evington and Coleman beats for your safety

Continue to address road safety concerns under Operation Syphon

We hope to meet you at our beat surgeries, wishing you a happy New Year on behalf of Evington and Coleman beat team.

Operation Syphon

East Leicester's police operation designed to raise awareness and improve road safety through a multi-agency approach.

Watch this space for educational pieces related to road safety.
