#YouSaid - What matters to you

We have listened to your concerns and will prioritise the following areas:

Priority 1: Anti-Social Behaviour

Your Concerns: On Bonney Road, youths riding stolen motorcycles and causing anti-social behaviour (ASB) are a regular problem and pose a serious danger to local residents.

Our Actions:

- Continued patrols at key times around the identified routes.
- 3 youths issued with 'Acceptable Behaviour Contracts'.
- Placing an Ad-van in the area to encourage residents to report incidents.

Priority 2: Dangerous Driving

Your Concerns: People using motor vehicles on the Western ward, speeding, unlawful use of E-bikes/Scooters and dangerous parking outside school gates have all been highlighted as a concern for the community.

Our Actions:

- Officers from Nottinghamshire Police have helped local officers patrol Western Park and the wider area with off-road motorcycles in a successful proactive operation.
- Positive results with motor bikes, E-bikes & E-scooters taken off the streets.

Priority 3: Anti-Social Behaviour (Drug-related)

Your Concerns: Drug dealing and general anti-social behaviour in and around the Burns flats.

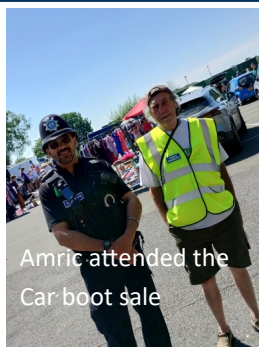

Our Actions:

- Continued patrols around the Burns flats.
- An arrest of an individual who was supplying drugs in the area.

News and Community Events June

This month we saw the introduction of Op LightFast which is part of our Safer Streets Summer Campaign. This is an operation we are running in partnership with the Fire Service, to help decrease the amount of deliberate fires that are being started in our open spaces.

This is something we see an increase of in the summer months.

There will be operations running in various areas of the Western Ward, if you see us around come and say hello!

Cuckooing continues to be an issue we are seeing across the Ward. We are taking measures to ensure the safety of vulnerable individuals. These vary from Daily visits being carried out, Warrants being carried out to target those causing most harm and in extreme cases Occupants have been re-housed to ensure their safety.

If you're worried about someone being Cuckooed please let us know! Remember you can do so anonymously via CrimeStoppers.
