**#YouSaidWeDid**

<p><b>ASB incidents such as: Vehicle nuisance or inappropriate use. Rowdy or inconsiderate behaviour. Littering or drugs paraphernalia.</b></p>	<p>Pro-active patrols around Field Way, Earl Shilton, following reports of motorbikes being used in an anti-social manner.</p> <p>Patrols around rural farm premises after receiving reports of off-road bikes being used on their land.</p>
<p><b>Concerns relating to Road Safety whether it be parking, speeding or loud cars/bikes a causing nuisance or being ridden in an anti-social manner.</b></p>	<p>Fatal 4 operation conducted where 18 vehicles were stop checked.</p> <p>Targeted patrols around Clickers Way following reports of vehicle racing.</p> <p>Anti-social behaviour report created for noisy vehicle being driven around Earl Shilton. Perpetrators were dealt with via the incremental approach to anti-social behaviour.</p>
<p><b>Drug dealing on the beat is still a priority.</b></p>	<p>We are always looking for opportunities to gather sufficient intelligence to enforce by way of drugs warrants. Any opportunity to disrupt drug dealing will be grasped by the team and the NPT (Neighbourhood priority team). We continue to welcome any information concerning local drug dealing activities in your area.</p>

## News

After his second three year stint on the beat this time as a PC, it is time once again to say goodbye to PC Nik. Throughout this time he has been a familiar face on beat and has thoroughly enjoyed being back on the beat where his policing career started nine years ago. PC Nik has said he has always felt at home on this beat and it has been a pleasure to work closely with partners, schools and residents which he will miss deeply. This is not the end for PC Nik as he is moving on to pastures new so watch this space for an update on his next move in policing.

Following on from the sad news that PC Nik is leaving the team there comes some positive news that there are two new faces joining the team. The first of these is PCSO Jasmine who has previously worked within the policing family as a detention officer in police custody, so brings some great experience to the team. Jasmine is currently in her 'in-company' period being tutored by a name you might all remember... PCSO Josh Reed.

Also joining the team is PC Lottie who is moving over from the Hinckley Town Centre beat. PCSO Lottie brings with her a wealth of policing experience having worked on both response and other beats with the Hinckley & Blaby area.

As the weather gets better we look forward to seeing you at some of the upcoming events on the beat which the team will be attending, such as Picnic in the Park which is just 5 weeks away.

Prior to PC Nik moving on he had been looking for a rather illusive suspect for a number of weeks. Not one to give up, he persevered which paid off, the suspect was arrested and taken to custody.
