## What matters to you

- Speeding.
- Anti social behaviour.
- Vehicle crime.

## What have we done

- We have organised a number of speeding operations utilising speed guns. We have also requested the mobile speed enforcement van to attend various locations on the area to assist us. You can view this on the road safety website by following this link, which is regularly updated. [Camera van enforcement hours and offences - Leicester, Leicestershire and Rutland Road Safety Partnership \(speedorsafety.com\)](https://www.speedorsafety.com/camera-van-enforcement-hours-and-offences-leicester-leicestershire-and-rutland-road-safety-partnership)
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Increasing patrols in areas where anti social behaviour is being reported to us.

On the 12th March, the National 'Stop, Think Fraud' campaign roadshow came to Market Harborough today, and was joined by PS Jelbert and PCSO Goodall. The campaign is aimed at educating people and encouraging them to take a moment to stop and think when they encounter potential fraud – taking a moment before thinking about making payments or providing personal details. Forces across the country are supporting the campaign and in Leicestershire specialist officers from the Economic Crime Unit (ECU) and Regional Fraud and Cyber Protect unit are bringing the message direct to the public. Here they are on the square.
