On 08/07/2026, a patch walk was conducted by PC Wallis, PC Bramley, a local resident and Andy from the Leicester City Council Parks Team.

The areas covered included Appleton Park and Rushey Fields, which have been identified as locations affected by ongoing anti-social behaviour (ASB). Officers will continue to conduct regular patrols in these areas to provide reassurance to the community, deter ASB, and address any issues identified.

This month, On 4 July 2026, PC 4736 and PCSO 6020 had a fantastic day attending two community events within the local area.

They started the day at **Wyvern Primary School's Family Fun Day**, where officers met pupils, families and staff, answered questions, showcased the police vehicle and gave children the chance to try on parts of the uniform. It was wonderful to see so many young people taking an interest in policing and engaging with us throughout the event.

A big thank you to **Wyvern Primary School** for inviting us along!

They then headed to the **Tamil Community Sports Day at Rushey Fields**, where they enjoyed meeting members of the community and seeing people of all ages taking part in the wide range of sporting activities on offer.

Events like these provide a great opportunity to build positive relationships with our communities, and they would like to thank everyone who stopped by for a chat.

Following recent jewellery thefts in the Belgrave Road area, please stay vigilant and take simple steps to protect yourself and your valuables.

- Keep valuable jewellery out of sight where possible.
- Stay aware of your surroundings, especially in busy areas.
- Be cautious if approached by strangers who try to distract you.
- Report any suspicious behaviour to police immediately.
- Keep a record and photographs of valuable jewellery.

PC Wallis carried out reassurance patrols at Rushey Fields during the Daman Samaj Community Cricket Tournament on 18th July. The patrols provided an opportunity to engage with players and spectators, build positive relationships with the community, and help ensure the event was safe and enjoyable for everyone. We would like to thank the Daman Samaj community for their warm welcome and continued engagement.
