- Drug dealing (11 votes on NHL) - We have been conducting plain clothes patrols in areas we are told drug dealing is an issue. We collect intelligence from residents and CrimeStoppers and apply for magistrates warrants and conduct drugs raids on those we suspect of dealing in drugs. News

This month we saw two business premises in the town centre broken into in one night. A high value theft from one national chain, and an independent shop had cash stolen.

Through good CCTV enquiries, officers were able to quickly identify a suspect, a 49 year old local man. He was promptly arrested from his home address for both burglaries, and the stolen property recovered from his bathroom. He was released on bail with conditions attached to his bail.

A good quick response from the neighbourhood team.

This month, local officers have continued with the enforcement of illegal e-bikes and e-scooters in the town centre. They have been out on patrol in Market Harborough on both foot and by bike. While patrolling the town centre, they have seized an illegal e-bike. With the longer days and the better weather around the corner, this is a timely reminder that officers will be seizing illegal and modified e-bikes if they are used in public open spaces. Please check the police and government websites to see if your e-bike is illegal.
