- PCSO 6144 Jade Martin
- PCSO 6130 Gaynor Colley

What matters to you

We have listened to you and the concerns you raise

Our beat priorities continue to be:

Priority 1: ASB. What we are going to do: The beat team aim to tackle incidences of ASB within the villages including the parks and beauty spots of Charnwood West utilising ASB and civil legislation and patrols in locations identified as subject to ASB.

Priority 2: Speeding and Road safety. What we are going to do: The beat team will deal with issues of road safety and speeding in Charnwood West villages. If you believe that there is an issue in your area, let the beat team know.

Priority 3: Drugs. What we are going to do: The beat team will deal with incidences of drug use and dealing across the beat area. Patrolling identified areas, utilising stop search powers where available and develop intelligence to allow us to target dealing within your area.

Charnwood West covers the below areas

- | | | |
|-------------------|---------------|-------------------|
| • Rothley | • Woodhouse | • Newtown Linford |
| • Quorn | • Swithland | • Cropston |
| • Woodhouse Eaves | • Thurstaston | • Ulverscroft |

News

March 2025

The Charnwood West Dedicated Neighbourhood Team have been working throughout March to tackle our chosen priorities of Speeding and Road Traffic Safety, Anti Social Behaviour and Drugs (including use and drug dealing).

All the team featuring Sergeant Adkin, PC Nicholson, PCSO Martin and PCSO Colley have been working both out on the beat engaging with the community, and completing essential behind the scenes administrative work on the below:

Speeding and Road Traffic Safety

The Charnwood West DNO team continue to conduct Speeding Operations in areas you have highlighted to have a significant speeding problem. You will continue to see us using the mobile speed gun to conduct these checks and seek to issue Traffic Offence Reports where applicable. March's speed operations were carried out in the areas of Main Street Swithland 15:15pm-16:00pm on 01/03/24, 149 vehicles monitored 140 vehicles travelling 30mph and below, 1 vehicle travelling at 36mph warning issued by PC 1574 and 8 vehicles travelling between 31-34mph. On 18th March between 07:45am-09:30am on Forest Road Woodhouse 50 vehicles monitored with the highest speed on that day recorded as 34mph advice letters issued and Main Street Swithland was also re-attended 30 vehicles monitored however only one vehicle travelling at 31mph so an overall improvement and deterrent with our presence.

Anti-Social Behaviour

Charnwood West Beat Team have patrolled the ASB hotspot areas pointed out to us by residents and the parish council such as Fowke Street, Mountsorrel Lane and Stafford Orchard Parks both on foot and in a marked vehicle. We have received further reports of ASB issues at Kinchley Lane which we will continue to monitor and carry out patrols at the location. The beat team have also been applying the Incremental Approach where suitable, issuing words of advice and warning letters to those causing issue to the community. The team have also conducted visits to local schools to encourage partnership working and support. Positively we have had very few reports of anti-social behaviour in general across the beat. We will continue to patrol, deter and investigate behaviours of this type. If you see any ASB please report it to us via 101 or online

Drugs and Drug Dealing

The beat team have conducted high visibility patrols in locations linked to drug use and drug supply, as well as generating and submitting intelligence of involved persons and areas where such offences are reported to be taking place. We are monitoring reports across Quorn, Rothley and Woodhouse Eaves and are looking to develop that intelligence. Work is underway with the Neighbourhood Priority Team to tackle addresses and areas linked with Drug Dealing and Drug Use.
