We are recruiting!

West Leicester's Local Independent Advisory Group (LIAG) helps build strong partnerships with local communities.

As independent members, they bring a range of views, experiences and skills that strengthen community engagement.

We are looking for people from diverse backgrounds across West Leicester to join our LIAG.

You will offer insight into the needs and concerns of underrepresented communities, challenge established thinking and provide independent advice to help improve policing services.

Could you see yourself?

-  Advising on how policing activity may be perceived.
-  Sharing feedback on policies and practices.
-  Supporting the force in continuously improving how it serves the public.

If the answer is yes, we want to hear from you!
