News

This month, PC Parry and PCSO Kiff visited the children at Stoneygate School in Great Glen to give a short talk and answer the many questions that the children had.

PC Parry said the children were wonderfully behaved and asked some very sensible questions and it was inspiring to hear how knowledgeable they were about keeping themselves safe on the road when they are out and about.

Being able to get into The Police car and see all the equipment that Police vehicles have, was the highlight of the visit.

If you would like us to come and give talks to your school, scout/ guide group or other youth group, email us. The email address is below.

Across the district, we have had reports of motorbikes causing anti-social behaviour in public spaces.

This photo was passed to us and has been circulated on social media regarding one of the offending bikes. Once we find the owner, will issue a warning, and if the behaviour continues, we can seize the motorbike under road traffic and/or anti social behaviour powers. If you witness such an incident of ASB, call us and we will come out as quickly as we can. Or if you get photos or video footage, you can report it to us anonymously via Crimestoppers or through the police website.
