

Issue: December 2025

Your local team

PS Charlie Davies
PC James Day
PC James Whittaker
PCSO Steve Adams
PCSO Dan Green

What matters to you

We have listened to you and the concerns you raised and will prioritise the following in December 2025.

Priority 1: Theft

You said: You told us that you were concerned about thefts, this can include shop thefts and vehicle break ins in the area. We will try to prioritise this going forward.

Priority 2: Motor vehicle crime

You Said: you told us that you were concerned about vehicle crime this includes anything from theft of vehicle to theft from vehicle.

Priority 3: Road Safety

You Said: You have told us that road safety is a priority, this includes speeding, dangerous driving, no insurance, no MOT, no tax and more.

What have we done #yousaidwedid

As part of our ongoing priorities in Lutterworth, we have been focusing on thefts, vehicle crime, and road safety.

- **Thefts:** We have carried out targeted patrols around local shops and car parks, identifying and dealing with known offenders. We've also engaged with businesses to provide crime prevention advice and strengthen links with shop staff.
- **Vehicle crime:** We have increased evening patrols in hotspot areas, spoken to residents about simple security steps they can take to secure their property.
- **Road safety:** We have conducted speed checks in areas raised by the community and offered visible reassurance patrols around schools at peak times. We continue to work with partners to highlight the dangers of speeding and inconsiderate parking.

Great Result:

After much proactive work by the Safer Streets Team to work closely with the local shops on the beat, a prolific shoplifter has been arrested and remanded into custody.

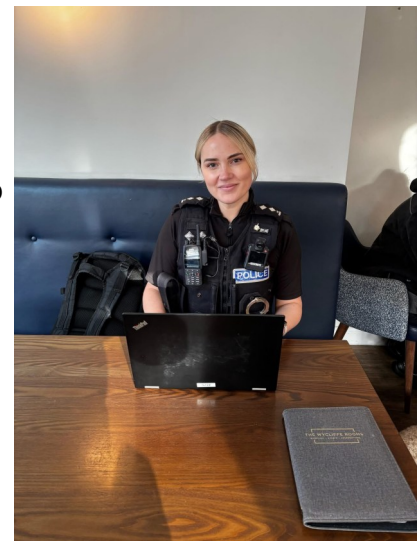

Michael CHURCH (51 years old, NFA) was arrested and charged with a series of shop thefts including thefts in Lutterworth. He was charged and has been given a 26 week custodial sentence for these offences.

Meet the Inspector Event:

On 5th December 2025 NPA Commander Inspector Perry, along with beat officer PC Whittaker attended the Wycliffe Rooms in Lutterworth to speak to local residents and discuss any concerns or issues they wished to raise.

It was a very productive event where many residents of the beat attended and discussed matters with Inspector Perry and it helped to show we as your local beat team and NPA officers are there to listen, understand and help with problems people wish to raise.

Great Result:

A suspect linked to a non-residential burglary in Lutterworth has been arrested, charged and remanded for this report.

After great investigative work by both the Harborough response officers and the Leicestershire Police Forensic team, the male has been identified and arrested for this report.

He has also been dealt with for a criminal damage report in Lutterworth.

****This is still an active investigation awaiting a court result so please refrain from discussing this report or any information around this case****

Confidence Survey:

Below is the link and QR code for the police confidence survey. If you have time and are able to fill it in please do. Many thanks

Darker Nights Campaign:

🏠 Residential burglaries can be deeply upsetting. It can be traumatic to lose valuable and sentimental items from your home and the thought of a stranger invading your property is distressing.

🔒 Protect your home against opportunist burglars by remembering to lock up and light up.

🌙 These darker evenings can provide the perfect cover for burglars who can easily spot an insecure window or door, or valuable left in plain sight.

👉 Check out our other advice on how to keep your property safe: [Keep burglars out of your property | Leicestershire Police \(leics.police.uk\)](https://www.leics.police.uk/keep-burglars-out-of-your-property)

🚧 Install strong fences and gates and make sure that they are always locked. Consider adding trellis and spiky plants to the fences to make it difficult for burglars to climb over them.

📹 Consider installing external CCTV cameras or video doorbells. Always lock your windows and doors when you are in and out.

💡 Try to make your house look as occupied as possible when you are not there. Use automatic timer switches to turn lamps on and off sporadically.

🔑 Do not leave your house and vehicle keys in the lock or on a side table in view of a window or next to a door. If you wish to obtain a faraday pouch you can visit a police station and ask for a car key pouch.

🔒 Check your UPVC or Euro Cylinder door locks to see if they're snap resistant. It should be stamped with a three-star kite mark. For more information on this please visit the Leicestershire Police Website.

☂️ Do not leave items in open porches that could be used to enter your home such as curved-handled umbrellas. These items could be used as "fishing" implements to use through a letter box or open window.

📰 If you're going away, cancel newspapers and milk. You could also ask a trusted neighbour or friend to keep an eye on your property and take your post inside.

🔦 Use external sensor lights on your driveway / rear garden.

🌿 Think about increasing the visibility of the entrances and exits of your home. Consider cutting back and removing large plants and bushes that restrict visibility from the road.

Survey

Survey

The QR Code will direct you to a Neighbourhood Link Survey regarding what the top issues are that affect you in your community.

The survey is vitally important to make sure we are tackling issues that are important to you so please take a few minutes to fill this out.
