Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are doing: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are doing: We have conducted vehicle speed checks at identified locations. Officers continue to stop check persons and vehicles who are involved in drugs. Local officers have identified vehicles which are related to criminality.

What we have done #yousaidwedid

Burglary Update

Police volunteers have been supporting the Oadby Policing Team by identifying homes left in darkness while the occupants are away, as part of the Darker Nights initiative. If you are heading out, please remember to leave a light on, it's a simple but effective way to help protect your property. Thanks to ongoing patrols and crime-prevention work by both the Oadby Neighbourhood Policing Team and our dedicated Police Volunteers, we have seen a reduction in potential burglaries.

Tackling Drug Activity and Anti-Social Behaviour

Our neighbourhood policing teams are maintaining regular patrols in areas known for drug-related concerns and anti-social behaviour. Thanks to proactive work and information shared by the community, we have identified several individuals involved in these activities and have taken appropriate enforcement action. Your reports continue to play a vital role, if you see anything suspicious, please let us know so we can respond quickly and effectively.

Speeding Checks Across Oadby

Officers are continuing targeted speed checks throughout Oadby following concerns raised by residents. Identified drivers that exceeded speed limits or driving irresponsibly were issued penalties. These operations form part of our ongoing commitment to improving road safety for everyone, which includes drivers, pedestrians, and cyclists alike.

Patrols on The Parade

During January 2026 PCSO Nad carried out extended foot patrols along The Parade in Oadby, spending time engaging with local shop managers and retail staff. It was valuable to speak with businesses directly, hear their current concerns, and understand the specific challenges they are facing on a day-to-day basis. PCSO Nad discussed a range of local issues that are particularly important to our business community right now, including recent incidents of shoplifting, concerns around anti-social behaviour, and ways we can work together to create a safer environment for staff and customers.

Meet Your Police Session at Oadby Gurdwara

On Sunday 18th January 2026 PCSO Nad held a Meet Your Police session at the Oadby Gurdwara. Maintaining positive relationships with our community is important, this was a valuable opportunity to speak directly with residents about the issues that matter most to them. Throughout the visit, the PCSO Nad held meaningful conversations about neighbourhood safety and ongoing concerns within the area. Thank you to everyone who took the time to stop and speak with PCSO Nad. Your feedback and engagement helps in shaping the work we do and ensure we continue to support our community effectively.

Independent Advisory Group

On Wednesday 21st January 2026 Inspector Liz Perry and Sergeant Will Leggate recently met with members of the Independent Advisory Group (IAG) to listen to and discuss local perspectives on our communications strategy, levels of trust and confidence, and how policing is experienced within the community. These open, honest conversations play a vital role in helping us better understand concerns, identify areas where we can improve the way we communicate, and continue strengthening our relationship with the communities we serve. A big thank you to everyone who attended, with special recognition to our Independent Chair, Rachael, and Vice Chair, Hafk, who generously volunteer their time to coordinate these meetings. We truly appreciate the group's willingness to share their views, your feedback genuinely makes a difference.

Thank You to Our Police Volunteers

Wigston Police Volunteers have been providing invaluable support to the Oadby Neighbourhood Policing Team as part of ongoing crime-prevention activity across the Oadby area. Over recent weeks, Police Volunteers have been visiting various locations within Oadby to identify homes where lights have not been switched on during the darker hours. Houses left in darkness can unintentionally signal that no one is home, increasing the risk of burglary. To help raise awareness, Police Volunteers have been delivering leaflets to residents, reminding them of the importance of simple crime-prevention measures such as leaving a light on when heading out. Their dedication and proactive approach play a positive role in assisting local policing, helping us reduce opportunities for crime and keeping our communities safer. To recognise their continued hard work, PCSO Nad and PCSO Harks recently organised a small get-together to thank the Police Volunteers on Friday 9th January 2026. It was a warm opportunity to show our appreciation, which was complete with samosas as a token of gratitude! We extend a heartfelt thank-you to all our Police Volunteers for their time, enthusiasm, and ongoing commitment to supporting the community.
